DEDICATION

As we think back to the early culture of Virginia, our minds are filled with elegant plantations, tall towering pines, and a graceful easy-going people. The 1959 Warwick is dedicated to a distinguished lady who is so much like these people of charm and grace. She has dedicated her life to guiding the manners, methods, and minds of her students, offering them more than words printed upon a page. She has given us a greater knowledge of life and what is to be expected of us as we take our role as adult citizens.

For her devotion to duty, for her ceaseless influence upon our lives, and for her continuous efforts to help the individual, we dedicate the 1959 Warwick to Mrs. Andrew Lee Roberts.

These are the leaders

Jimmy Maxwell
S.C.A. President

The Student Co-operative Association of 1958-1959, under the leadership of a very capable President, Jimmy Maxwell, has worked hard, striving to please the faculty and students of Warwick High School.

The S.C.A. Executive Council, the Congress, and the committees have worked efficiently, to fulfill their goals.

The religious life of Warwick High School was strengthened when the S.C.A. Chapel was opened for the benefit of the students. Beth Holland, the S.C.A. Chaplain, worked vigorously to make such an opportunity possible.

Committees worked together, making tape recorded music in the cafeteria, a strengthened assembly program, colorful posters, a student cheering section, and morning activities possible. The magazine sales were boosted this year when the Seniors were the top-selling class. The Pep Committee and the Social Committee, which were highly attended, came up with new ideas to better the school spirit and social life of Warwick High School.

The voting members of Congress were enlarged when class officers were included as voting members. Plans were made to improve the S.C.A. room, making it more dignified and pleasant to work in.

As the S.C.A. continued to improve and conquered its year's goals, a feeling of appreciation and fellowship was hoped to be developed among the students of Warwick High School.

HONOR COUNCIL

1st Row: J. R. Zepkin, Pat Foutz, Tommy Abernathy, Sponsor—Mrs. Kostyal, Jimmy Galloway. *2nd Row:* Warren Holden, Joyce House, Nancy Price, Pat Cox, Buck Skull.

Honor is a very important phase of the life at Warwick High School. Through the work of ten appointed members and their various projects, the Honor Council strives to promote and secure honor. Some of its activities are to distribute honor cards, have an Honor Week during January, and give an assembly. This gives a deeper meaning to the student life and student activities

S.C.A. CONGRESS

The Congress of the Warwick High School Student Cooperative Association consists of Federation officers and homeroom representatives. Its function is to activate the will of the students. Since the Congress operates on a parliamentary basis, each member has the privilege of introducing matters to Congress. This year each homeroom has a specific seat in the auditorium. Our goal is to have someone from every homeroom present at all the meetings.

SOCIAL COMMITTEE

The purpose of the Social Committee is to plan for all of the school dances.

Under the leadership of the chairman, Mary Ann Wright, and the co-chairmen, Rossie Wolever and Dennis Taylor, the Social Committee has enjoyed planning for the six dances held this year. There were two new dances introduced: the Magazine Sales Dance and Midwinters.

We, the Social Committee, would like to express our gratitude and appreciation to our sponsor, Mr. Barclay Sheaks, and our advisor, Mrs. Sarah Geddy, for their interest, support, and patience throughout the year. We are especially grateful to you, the students, for making the year 1958-1959 such a great success.

1st Row: Pat Fisher, Cathy Watts, Chairman. *2nd Row:* Nancy Tankersley, Becky Taylor.

Charlotte Leftwich, Bobby Scarborough, Charlotte Savage, Marilyn McIntire, Jim Tankard, Patsy Perkinson, Charlotte Anderson, Tommy Williams, Chairman, Pat Hinkle.

MAGAZINE SALES

The Magazine Sales Committee had a great deal of fun stressing the exigency of supporting the campaign while producing an assembly.

The Mag Shag, our Magazine Sales dance, was initiated this year to the delight of all the students.

This year the sales broke all school records by topping the $6,000 mark. The success may be attributed to the cooperation and spirit of the student body.

ACTIVITY TICKET

The Activity Ticket Committee worked hard all through the year. They started very early with the job of typing tickets for about 850 students. The committee continued throughout the year with the jobs of typing tickets for new students and redistributing tickets to the homerooms after activities. The committee, along with Mr. Fleet, the sponsor, worked well together to produce the student ticket system that was so successful during the year.

as many students participated.

1st Row: Wayne Edwards, Jack Gibson, Danny Adams, Wyatt Mapp. *2nd Row:* Billy Harrison, Karin Nelson, Bobbi Sherman, Susie Ayers, Irma Ireland.

PUBLICITY COMMITTEE

The Publicity Committee worked with the other committees by publicizing the various events and activities which were planned throughout the year. The students possessed artistic creativeness and talent which they used successfully. They were a hard working group and deserve a great deal of credit.

LEADERSHIP TRAINING COMMITTEE

One reason for Warwick's excellent S.C.A. is because of its leaders in the past years. We are fortunate at Warwick to have a committee which promotes leadership training. Its job is to inform students on parliamentary procedure and on the S.C.A. For success in school one needs the qualities of a leader.

1st Row: Betta Ann Flanagan, Linda Harper, Lena Kay, Barbara Smith, Carol Ware, Lynn Hancock, Judy Hogge, Gaïl Gillikin. *2nd Row:* Christine Allen, Sally Barclay, Judy Varacalli, Karen Williams, Dickie Smith, Judy Barker, Suzanne Steinback, Lonna Hudgens, Martha Mitchell, Ann Plummer, Cheryl Comstock, Chairman Linda Hudgens. *3rd Row:* Caroline Wood, Joanne Denton, Becky Hayes, Sharon Girton, Ann Edison, Janice Brown, Susan Ford, Jim Abbott, Dennis Taylor, Betty Kay Ferguson, Harold Davis, Janice Bowman, Judy Roxberry, Tiny Hudson, Susan Brown, Ruth Ann Barnard, Yvonne McCrickard, Mr. Warren Chauncey, Sponsor.

PEP COMMITTEE

The Pep Committee has mainly promoted school spirit at Warwick High School this year. Decorating the goal posts in rain or shine, presenting half-time skits at home football games, making posters publicizing sport events at Warwick, and laying the ground-work for a student card and cheering section were the main functions of the Pep Committee this past year.

A committee, the Sportsmanship Committee, suggested by the Peninsula Federation of Senior High Schools was aided by the Pep Committee to encourage and promote sportsmanship in all phases of school life.

The members of the Pep Committee have indeed showed school spirit in the work they have done, and they have set an example of school spirit for the student body.

The sponsor for the Pep Committee is Mr. Warren Chauncy. He has given the committee good suggestions and good advice. We wish to thank him for his help and advice.

Their accomplishments were many.

RECREATION COMMITTEE

Dancing, games, movies, food and just good "new-fashioned" fun blended themselves together into four successful Recreation Nights this year. Ping-Pong balls bounced, people danced, pool balls "banked," chess and checker "men" jumped, cards shuffled, chaperones laughed, movies moved, and records played. Lots of people came, lots of things happened, and lots of fun was had. If I were a "cool cat," I guess I would sum it up like this: "Man, those Recreation Nights were 'real gone!"

Row One: Byrd Sledge, Marie Morris, Charlotte Savage, Chairman. *Row Two:* Barbara Adkins, Ann Edison, Becky Hudson. *Row Three:* Juanita Prevatt, Karin Gilliam, Tommy Williams.

ORIENTATION COMMITTEE

The Orientation Committee introduces new students to the school. On the first day, information booths are placed at various spots throughout the buildings. They help students find their classes and supply other information needed. Committee members are in charge of these booths.

When new students came to Warwick during the year, committee members showed them around the school, the location of their classes, and tried to help the students adjust to Warwick.

The handbook, *The Compass,* is published and distributed by this committee.

Row One: Despo Yeapanis, Chairman; Gary Crain, Ann Duvall, Sandra Thomas, Annette Poindexter. *Row Two:* Shirley Edmundson, Mary Warboys, Eleanor Hartman, Patricia Helms, Dottie O'Berry.

CAFETERIA COMMITTEE

The Cafeteria Committee has planned and carried out many successful projects.

Aided by the sayings of Confucious, the Temple Room created an oriental atmosphere.

The Sweet Cakes Derby, well accepted by the students, helped with cleanliness and discouraged wastefulness.

The Thanksgiving and Christmas bulletin boards attractively celebrated the holidays.

The Cafeteria Committee enjoyed acting as host by preparing and serving refreshments to the visiting S.C.A. Federation.

Everyone has benefited and appreciated the works of this committee and of the chairman, Gary Crain.

Tommy Williams, Activity Ticket Committee, and Jim Abbott, Recreation Committee, get the girls viewpoint of their plans by consulting Charlotte Savage, Orientation; Emily Pressley, Loyalty; Linda Hudgens, Pep; and Robbie Nelson, Publicity Committee.

Dickie Smith, Dennis Taylor, Barbara Atkins, and Linda Hudgens are busy decorating the goal post with hopes of a victory that night.

Mr. and Mrs. Sheaks trip the light fantastic as they chaperone one of our S. C. A. dances.

Studying reports, Garnette Hobbs, Building & Grounds; Pat Fisher, Scrapbook; Richard Epes, Music; Jeanne Douglas, Assembly; Bobby Hopkins, Sportsmanship; and Harriett Petty, Homecoming, work on plans for the S. C. A. Committees.

Gary Crain, Chairman of the Cafeteria Committee, placed attractive bulletin boards in the cafeteria for appropriate seasons.

Ushers gave unlimited assistance

Ushers Jane Forbes, Richard Epes, Janet Wood, and Jimmy Eubank talk over plans of leading the seniors into Senior Assembly with Doug Smith, who played the herald trumpet.

"Fill-in those empty seats," Brenda Shakleford instructs the students.

USHERS

Under the capable sponsorship of Mr. Barclay Sheaks, the 1958-1959 Ushers of Warwick High School endeavored to be of service to our school in our own way.

Numbering twenty-four, we were the largest group of ushers ever chosen at Warwick.

We were chosen from a large number of applicants on our poise, leadership, and on the short essay "Why I Want to Be An Usher," which all applicants were required to write. It is a big honor to be an usher.

This year we feel that you, the students of Warwick High, were most co-operative. We thank you for your assistance in helping us to carry out our duties.

1st Row: Marilyn McIntire, Jim Gallaway, Merritt Ireland, Lee Parker, Robbie Nelson, Tommy Williams, Cathy Watts, Clark Collie. *2nd Row:* Nancy Holland, Jan Gray, Janet Wood, Earl Snyder, Beverly Bradburn, Sonny Seay, Brenda Shackleford, Jim Abbott. *3rd Row:* Charlotte Savage, Richard Epes, Marie Morris, J. Our library is the great storehouse of knowledge which furnishes the tools necessary in our education process. Gone is the tomb-like stillness, and in its place there is the quiet hum of purposeful activity.

WARWICK PLAYHOUSE

This has been one of the most active years in Warwick Playhouse history. Since the beginning of the year, fifteen new members have been added to the original ten. In order to be elegible for membership, candidates must have obtained twenty points through work in dramatics.

The Playhouse, under the direction of Mrs. J. V. Eubank and Mr. James Daughtey, presented two groups of one-act plays and two three-act plays. The Fall play was "One Foot In Heaven." The Spring presentation was Cornelia Otis Skinner's "Nuts In May." To close out a very successful year, the members attended a Shakespearian play in Williamsburg.

Think what the people trying out are going through!

A stern moment in a scene from "Nuts In May" as characters — Donnie Burgess, Brenda Shackleford, Bob Parsons and Jimmy Maxwell consider an important decision.

Hey, let us see too! I wonder what interested these actors in the spring play "Nuts In May."

PLOUGH STAFF

The Plough staff has worked tirelessly this year to present a better literary magazine to the student body. They reached out and experimented with new ideas which resulted in favorable comments.

The magazine staff went on an all out campaign to publicize their attractive little book. In an effort to win honors from the critics, the book was changed in size and, in relation to its size, the art work and articles became more selective and compact.

With the undying cooperation of her twenty-three member staff and the help of the English Department, the Editor, Garnette Hobbs, was able to publish three issues. They deserve the compliments which have been given them this year.

1st Row: Garnette Hobbs, Linda Hudgins and Page Brinkley review material for *The Plough*.

1st Row: Miss Lois Callahan, Sponsor; Garnette Hobbs, Editor; Pat Foutz, Assistant Editor; Annette Poindexter, Business Manager.

"The Earle" has arrived!

Ellen Busick, Assistant Editor, and Beth Holland, Editor, pause for a moment from their conference with Mrs. Roberts to "smile" for the photographer.

Yikes! What were those white flashes speeding through Warwick halls, Earles being delivered, of course. As usual the staff members were rushing frantically to the home rooms to make sure that each Activity Ticket holder heard Warwick High's "voice".

That "voice" sounded strongly through the halls eighteen times this year. But its volume was composed only through hard work during the long hours before and after school, Saturdays, even lunch periods, and of course, during Staff N's official business hour, second period. Special issues appeared for Thanksgiving, Christmas, and other celebrated occasions.

Nothing could have symbolized *The Earle* staff better than the temperamental vari-typers which required constant attention from these former journalism students of Mrs. Roberts. Endless hours of gluing articles on the make-up sheets under the headlines set by the staff members themselves caused many a stiff back, but the students praise made every moment worthwhile to the staff members. Soliciting ads to help pay for this "voice" was no light task, but is was a necessary one, and each staff member tackled it vigorously. Thus it happened that fifteen workers proudly produced the "voice" of the students of Warwick High School.

Staff "A"

The Warwick's knights of the square table gather ideas from other annuals.

"You wouldn't kid me, would you?" Linda Zelle, Business Manager; Despo Yeapanis, Editor; Mr. Butler, Sponsor.

This year with two new sponsors, Mrs. Sanders and Mr. Butler, we decided to give you, the students, something new. The first change was a different photographer. This was a trial and error plan to test the idea of having our pictures taken at school.

Next, we wanted a theme with a familiar twist. The river, our summer playground, suited our train of thought. It was really fun developing this idea since we felt it would mean something to the students.

"Wow! Look at this picture arrangement. It's just what we need for the senior page," Martha Walker tells Linda Robinson.

"Will you type the copy for the sports page?" Joanne Denton asks Nita Gills.

A black cover with a cut of the school was another of our "brain storms." We felt the distinguishing color and emblem would appeal to everyone.

The layout has quite a variety of ideas, also. Opening with the school scenes, alternating the senior pages, and inserting the Alma Mater were some of the different plans which added spice.

There was one problem which remained the same—the problem of expense. We had to have money to get out an annual; consequently, we had to sell ads and get subscriptions from the students. We were grateful for the help of the activity ticket money.

A hearty thanks to all those who helped and guided us to make the annual a reality. We all hope you like it.

"You say you want ⅛ of a page? But the full page is only . . .," says Pat Fisher to an advertiser as Bonnie Gentry stands by.

"Just as easy as one, two, three," says Linda Zelle to Beth Jenkins as they tally up the profits.

Warwick High

Warwick High School Band of 1958-1959 has done it again. It is a fine concert band and a superb marching band, on a football field or in a dress parade.

Warwick's smartly styled English band with its long herald trumpets, drum major with the English pace stick, traditional rope drums, and English sun helmets all contribute to making the band in the distinctive spirit of Warwick.

Warwick made many new friends and won the applause of thousands as they paraded for the Sea Food Festival, the Fire Safety parade held in Hampton, the Oyster Bowl parade, the football game in Norfolk, and the Armed Forces Day parade held downtown.

Grover Lewis, Drum Major and Mr. Smith, Band Director.

School Band

The All State Bands held at Cradock High School had more Warwick bandsmen than ever before. In the Solo and Ensemble Festival and the Band Festival both individuals and the band distinguished themselves.

Pep assemblies, demonstrations, concert assemblies, P.T.A. performances, the Mid-winter Concert and the Spring Concert, the Sunday Afternoon Concert in the park, and then rehearsing and playing for graduation will always be memories never to be forgotten.

THE A CAPELLA CHOIR

This was a year of firsts for the A Cappella Choir. Besides being larger than any previous group, this year's choir was first to receive choir pins. We were also first to send delegates to All-State Chorus, Eastern District, where three members from Warwick were chosen for the Virginia All-State Chorus.

Those of us who remain will continue in the traditions of the choir. Those of us who are leaving can only take happy memories with us: the "dressy" Fall Concert, the beautiful Christmas Candlelight Service, the Christmas Assembly, the "Stardust" Valentine Assembly, the fun of singing for different organizations, and our senior class song, "You'll Never Walk Alone."

It is to Mrs. Barclay Sheaks, our director, that we owe our deepest vote of thanks. Without her constant devotion and leadership we could never have had such a wonderful year of working and singing together.

VARSITY FOOTBALL

A pair of impressive victories over inter-district opponents, Thomas Jefferson of Richmond and Wakefield of Arlington, plus a rousing 39-0 triumph over Peninsula rival Newport News highlighted Warwick High's 1958 football season.

Coach Romie Hamilton's Farmers compiled a respectable 7-3 record and landed three players—halfback Johnny Morrisette, tackle Gene Jordon, and Paul Shaver on the All-Peninsula team.

The sports' writers selected to the All-State team: Johnny Morrisette, second team, Gene Jordan, third team and Stamm Rauch, honorable mention.

Warwick played its best defensive game of the season in beating Wakefield, 13-0, allowing only one first down. The Farmers trounced highly regarded Thomas Jefferson, 33-6, in probably their best all-around performance of 1958.

But the sweetest victory for the Farmers was the one-sided romp over Newport News, which was played at Warwick for the first time since the rivalry began.

Another fine team effort was against Princess Anne. Leading by only 13-6 at halftime, the Farmers turned on the scoring steam in the last half for an impressive 41-6 triumph.

Other victims were Gloucester, 45-0; Great Bridge, 19-7; and Maury, 24-0.

Warwick's three losses came at the hands of unbeaten Norview, 38-0; Hampton, 13-6; and Woodrow Wilson, 27-6; the latter game climaxed a three-year Thanksgiving Day series.

Among the many departing seniors on the 1958 squad were: Morrisette, Shaver, Shorter, Enos, Rauch, Ellis, Schuster, Register, Evans, and Parker. Others we will miss next year are: Perry, Mays, Warren, Dickinson, Ellis, Williams, and Stanifer.

The students were very proud of their football team this year. The boys really gave us many thrilling games for which to cheer. Congratulations and the best of luck next year.

Morrisette gives Princess Anne a hard struggle.

HOMECOMING

Beauty also appears

The Homecoming Committee, with the help of their sponsor, Miss Loretta Jeter, organized the homecoming ceremony.

The attendants were chosen by their classes. There were two sophomores, three juniors, and four senior attendants. The football team chose Elizabeth Meissner as queen to reign over the game.

Stylish suits, colorful bouquets of yellow chrysanthemums and red roses, and new convertibles, all added to a successful evening. The band, standing in a "W" formation set a mood of fantasy. The stands cheered the couples as they came on the field, the last in the procession being our Queen Elizabeth.

As the attendants and their escorts walked up the fifty-yard line to take their positions, the cheerleaders formed an arch.

Lee Parker and Warner Enos, co-captains of that game, crowned the queen of the 1958-59 Homecoming Game.

VARSITY BASKETBALL

This was a year of rebuilding at Warwick, and although the plain won-loss records might not indicate it, results show that Coach Wilber Thompson has constructed a solid basketball foundation for the Free Staters.

Although Warwick won but four of twelve Eastern District contests, and eight of twenty games throughout the campaign, the over-all play of the five-foot-seven-inch Junior Captain, Jay Lambiotte, and the exciting improvement of sophomore Billy Barrow helped serve notice that the winter of 1959-60 will be a hot one for Warwick opponents.

Not only are Barrow, who averaged 12.3 points a game, and Lambiotte, who had a 10.7 average, back again, but only one senior, George Geragi, leaves by graduation.

Aside from Barrow and Lambiotte, the most important returnee will be the lanky 6-3 center, Jim Smith.

While the Farmers missed a berth in the Eastern District Tournament by one game, they did take second place in the Peninsula race defeating Hampton, 37-32, and 41-38. Also, Warwick proved to be tough against perennial district and state champion Newport News, losing, 48-32, at home and then providing a big scare for the Typhoon in its own court, before bowing 48-38.

Particularly gratifying to Warwick supporters this past season was a defense which relinquished 926 points, an average of 46.3 points a game. Only Newport News, and Woodrow Wilson of Portsmouth were better in this category.

Other Warwick letter winners who will be back again next year are Neil Bleakley, Doug Gregory, Hank Marriott, Howard Hall, Allen Vann, Jack Davis, and Charles Snead.

VARSITY CHEERLEADERS

"One, two, three, four, who are you going to yell for?" The earth-shaking reply was "Warwick!" These nine girls, with their constant cheering and untiring vitality, were an inspiration to each student to do his part in promoting school spirit and good sportsmanship. The squad, consisting of seven seniors and two juniors, started practicing in the summer in order that they might be worthy representatives of Warwick High School. Each individual worked enthusiastically as a unit, rejoicing over each victory and feeling the disappointment at each loss, always remembering, it is not whether you win or lose that counts, but how you play the game.

Their traditional maroon and white uniforms will continue to be an incentive to the student body of Warwick High School.

WRESTLING

Warwick's talented wrestling team had both joy and disappointment in the 1959 mat season. The joy came early when they captured six of seven meets after an early season loss to Princess Ann, and the disappointment in the state tournament, when only one Virginia crown went to the Farmers.

Strong Norwood Starling, in the 136-pound class, won his divisional honors in the State meet after an undefeated season. Lloyd Franken, the other Romie Hamilton —trained finalist, was defeated by Granby's Wayne Simons, 5-0, on a decision.

Johnny Morrisette had a successful season with an 8-2 record along with the fine mat performances from Ronnie Cutler, Steve Branch, and Starling. Gene Jordan was undefeated in dual meet competition.

Prospects are good for next year with Coach Hamilton facing the challenge of improved wrestling throughout the Old Dominion.

The cross country team had the distinction of losing all 3 of its dual meets, but during the year showed steady improvement. The climax came when the team won 5 medals to win the Eastern District Track Championship. The boys who placed were Gilman, Trembley, Harrison, Royall, and Insley. In the A.A.U. meet at Williamsburg, the team finished fourth. Boys who placed were Harrison, Gilman, and Trembly. The team finished the season by placing third in the state with Gilman and Harrison placing.

In the only meet in which the team participated, they finished fifth in the state indoor meet at Lexington. Boys who placed were Hopkins in the 60, Hudgins in the pole vault, Leonard in the high jumps, Insley in the 880, Royall in the mile and Rauch, Brooks, Harrison, and Insley, relay team.

Warwick continued on its winning ways by extending its dual meet record to 22 straight. This streak was snapped by Newport News in a close meet.

Warwick then won the District Championship for the third straight year with a thrilling victory in the mile relay.

It finished its outdoor season by finishing fourth in the State Outdoor Meet. Those who placed were Long in the broad jump, Hopkins in the 100 and 220, Mayo in the 220, Leonard in the high jump, Hudgins in the pole vault, and Montgomery in pole vault.

GOLF

The Warwick High golfers proved to be headline grabbers on the Peninsula sports scene. Coached by Mr. Formichelli, they marched unbeaten to their second straight Eastern District and State championships. In completely dominating the district golf scene, Warwick ran their undefeated string of dual match victories to twenty-one.

Exhibiting some of the strongest team balance in high school golf circles, they won the state championship. The season was climaxed with four linksters averaging less than 80 strokes per 18 holes. The team totaled 633 strokes better than second place, which was the host team from Danville Cowardin was second best individual scorer and Gerringer, last year's winner, was fifth.

At the Eastern District Tournament in Portsmouth, the quartet of Gerringer, Cowardin, Humphries, and Hyle posted a 614 total. They outdistanced second place Granby by 30 strokes. Gerringer retained his crown by nipping team mate Cowardin in a sudden death, extra hole, play-off.

Others taking part in a number of matches during the year were Lanier and Liebler.

TENNIS

After five losing seasons, Warwick High's "New Look" tennis team finally regained its lost prestige. We call this our "New Look" team because of the new up-an-coming players. Since only senior letterman, Bill Gillespie, is graduating, the future looks bright. Seven lettermen, one junior, five sophomores, and one freshman made up the team. These eight players, with the help of four others, compiled a 5-5 won-loss record. However, two of their losses came at the hands of the powerful William and Mary Freshmen and Norfolk Academy.

In the Eastern District the team finished with a 5-3 won-loss record, losing only to Granby, Maury, and Suffolk. Suffolk was the eventual State Champ. The record was good enough for a tie for third place in the district; but, due to a flip of the coin and the demands of time, they did not participate in the District Tournament.

With such an unexpected fine showing this year, Coach Warren Chauncey predicts better teams in the coming years.

Wham! Another home run for

VARSITY BASEBALL

Captain Wayne Register and Coach Snow.

The 1959 Warwick baseball team, hampered by an early-season tendency to perform erractically, completed the season with a five-game winning streak, which gave it a share of second place in the Eastern District.

Wilson, which edged past the Free Staters early in April, 4-3, topped the 12-team league with only one defeat. Warwick and Hampton had eight wins and three losses. Both tied with Newport News to put the Peninsula race in a three-way deadlock. All three clubs had 2-2 records in the unofficial race. Over all, Warwick posted an 11-5 record.

The Stater's late-season winning combination was a blend of seniors and juniors, led by first baseman and captain, Wayne Register. Leading the underclass aggregation were Royce Bowden, who hit .344, stole 10 bases, and scored 16 runs, and Mike Bahr, southpaw pitcher and outfielder who won three and lost two, struck out 69 in 53 innings, and turned in a batting average of .348, the team's highest.

Register, who hit .296, Bowden and Bahr were unanimous choices on the All-Peninsula Team, while Jay Lambiotte and Neil Bleakley received mention on the All Star-Team.

Returning for a final season next year along with Lambiotte, Bowden, Bahr and Bleakley will be second baseman Jerry Franklin and pitchers Lacy Epperson and Sam Jenkins; sophomores, Jerry Hall and Melvin Renn; and freshman pitcher Larry Gammon.

ADMINISTRATION

This year we find both old and new faces on the administration staff for the new city of Newport News. Heading the staff is the very capable, well-known Dr. Robert O. Nelson, whose official title is Superintendent of Newport News Public Schools. Assisting Dr. Nelson are Mr. Samuel D. Greene, Assistant Superintendent for Maintenance and Planning; Mr. Charles B. Shrieves, Assistant Superintendent for Curriculum and Instruction; Mr. T. Ryland Sanford, Jr., Assistant Superintendent for Business and Finance; and Mr. George McIntosh, Jr., Director of Personnel and Assistant to the Superintendent. Under the direction of these men, the school system is smoothly and efficiently run.

There are some personalities with whom we are all familiar. They are Mr. George W. Cox, Jr., Principal; Mr. Clarence A. (Pop) Davis and Mr. Malcolm P. McConnell, Assistant Principals. These three men are responsible for running our school and giving helpful advice to teachers and students alike. They are always working for the betterment of Warwick High. We owe much gratitude and praise to these men for their untiring effort.

Although our school this year has been under a new public school system, there have been few changes. The exam schedule was the most noticeable one to the students. Through these changes, however, W.H.S. has enjoyed the pleasant efforts of having a well-chosen and sincere administration.

GUIDANCE COUNSELORS

"I'm confused. I can't decide where I want to go to college," or "I try so hard in English and still get a "D." These are typical of the many problems presented to the guidance department every day. In the first case, one of the well-informed and experienced counselors might find out generally the type of college which would meet your needs, and work from there. There is a good library of college catalogues in the guidance office. Whatever your problem may be, you can be sure of a helpful hint of suggestion from a guidance counselor, who is always ready to help.

OFFICE STAFF

We, the student body, could not possibly get along without our capable office staff. It is composed of Mrs. John Crews, Miss Glenda Suttle, Mrs. Lucille Leviner, and Miss Margaret Thomas.

They can be seen many times a day in the halls, busily carrying out their duties. Quickly and effectively, under the direction of Miss Margaret Thomas, they keep our school of sixteen hundred students on schedule. They are continually working to keep Warwick High School in order or answering telephone calls, delivering messages, keeping track of all that "Senior" money, and sending out the many transcripts to the various colleges.

P.T.A.

The primary objective of the Parent-Teachers Association is to promote the welfare of children and youth in the home, school, church, and community. This is accomplished in many ways. One of the most effective ways is for PTA members to support efforts to secure adequate laws for the card and protection of children and youth. If this support is to be intelligent and effective, members must be kept informed on needed and proposed legislation. The organization must convey directly to the local, state, and federal legislators their position on legislative items; consequently, one of the objectives of the legislative chairman is to keep the membership informed on legislation proposed by The Virginia Congress of Parents and Teachers.

A two-year program, in which each department of the school has been featured at a meeting, has recently been completed. The association is continuing projects that have been in process for several years: they they make concession stands at the football games available; the parents serve as chaperones at dances and recreation nights; and two $150 scholarships are presented to worthy graduates who anticipate entering the teaching profession.

Hurrah!

At last we are Sophomores at Warwick High School!

On the first day of school, we were filled with excitement and were rather confused as we wandered around in the large and strange halls, which were filled with the friendly faces of the upperclassmen.

After a week or so, we felt at home and began to take part in many of the school activities. We found ourselves taking part in plays and assemblies and contributing our ideas to the committees on which we served. Our class supplied several boys for the Varsity and Junior Varsity teams. Eight of our peppiest girls were chosen to be cheerleaders.

A difference was noticed on the scholastic side of our school work. While some of us dug into algebra and biology, others racked their brains with foreign languages.

Although we are eagerly anticipating our junior year, we know we shall never forget our sophomore fun.

We thank the teachers and student body for making us feel welcome at Warwick High School and for making our Sophomore year a memorable one.

In April Mrs. Sheaks' music classes presented a beautiful Easter assembly which was narrated by Eleanor Hartman.

"And this is how the snare drum is played," says Mr. Smith as Wayne Evans demonstrates in a band assembly.

"School Scenes"

Hope Horner, Gail Mahone, and Irma Ireland show their skill in fencing class.

James Clemons explains how his project for the Science Fair works.

Mine's prettiest! What excitment there was when the junior class received their rings.

JUNIOR OFFICERS

We had arrived! We were at last juniors with all the long anticipated privileges and responsibilities. It was just as wonderful as we had planned.

As juniors we felt the necessity of making plans for the future, so the College Day early in our year was a helpful guide.

Juniors were active in all phases of school life. Having members of our class in Congress and on S.C.A. committees, we played a large part in our school government. Our members served on the staffs of *The Earle*, *The Warwick*, and *The Plough*.

We, spurred on by the junior cheerleaders, enthusiastically supported the junior boys who performed outstandingly on the teams for various sports.

The day our class rings arrived was a very special one for all of us.

In the spring we held class meetings to plan a Prom that we wanted to be a memorable night for each senior.

Our year as juniors passed all too quickly, but it gave us full measure in learning and social experience. We were sent happily to our senior year.

The smug senior class took full advantage of "Be kind to Seniors Day" which the juniors gave to honor the upperclassmen.

Becky Taylor, Parliamentarian; Irma Ireland, Reporter; Gay House, President; Kay West, Treasurer; Richard Epes, Vice President; missing, Karin Nelson, Secretary.

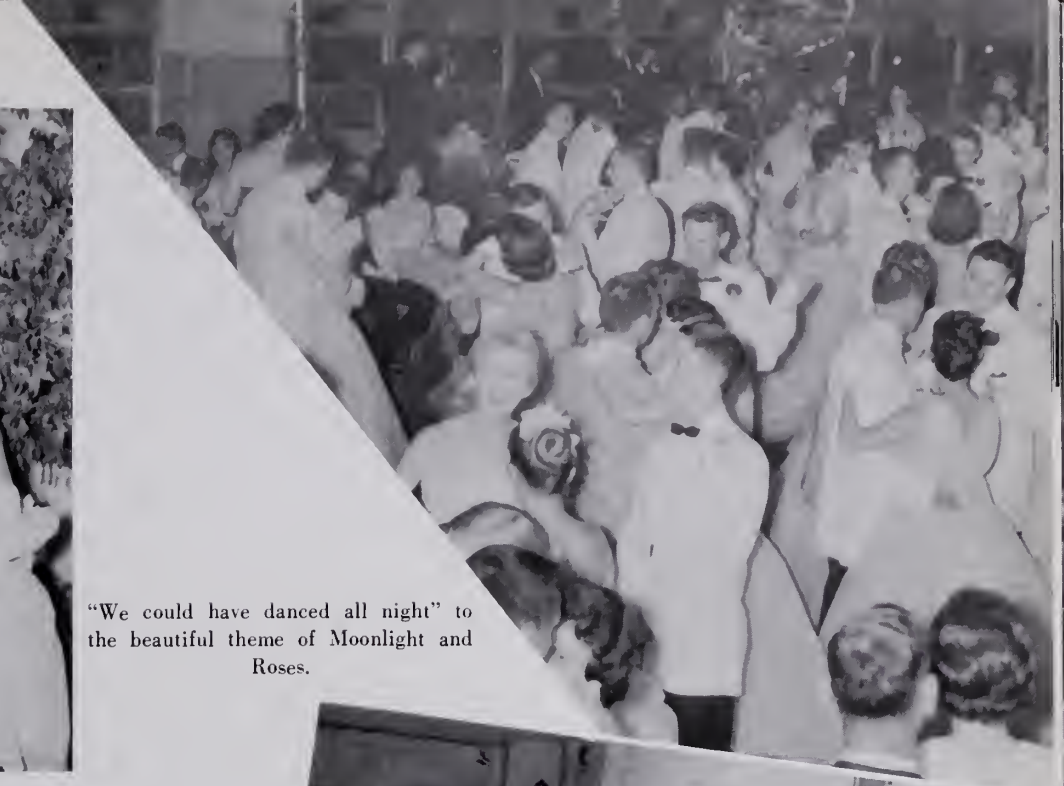
The presence of God is brought nearer to us as Karin Nelson leads the chapel service.

In the spring, a young man's fancy turns to politics as the school is walled with posters.

"You must have those purchase orders!" says Mrs. Milliner at a committee meeting.

Despo and Dean cool themselves as they sit by the waterfall.



"We could have danced all night" to the beautiful theme of Moonlight and Roses.

JUNIOR-SENIOR PROM

With the theme of "Moonlight and Roses", the cafeteria became the garden of a southern mansion on the night of May 16, 1959. Each enchanted couple entered the garden by stairs leading from the alcove. The opposite end of the garden represented a formal garden scene featuring a water fall and a full moon illuminating the garden. Music was furnished by the Chordsmen. During intermission the Seniors gathered and sang their class song. The night will always remain in the hearts of the Seniors.

Bobby receives his Prom program as he enters the Southern garden.

Welcomed by all were the good-looking chaperons for the Prom.

Won't they ever let us in?

Seated: Jerry Flowers, President. *Standing:* Eleanor Hartman, Treasurer; Robbie Nelson, Parliamentarian; Pat Foutz, Secretary; Marie Morris, Reporter; Tommy Williams, Vice-President.

Despo and her committee discuss plans for the Senior Assembly.

SENIOR OFFICERS

The glory of our senior year dawned slowly upon us with the full realization of our responsibilities and the example we must set. After many years of waiting, we had finally achieved our honored position, and we were dismayed at the wonder of what the year would bring.

But, we soon found ourselves too busy to be frightened by the weight of our deeds, for we had class symbols to choose, pictures to take, and the Banquet and Assembly to plan. We became closely bound in ties of friendship, and our class began to function as a unit.

The days and weeks passed all too quickly, and, with the fleeting hours, our last moments at Warwick High School drew to a close. Then, with that final handshake, we gathered up our precious memories as a class and stepped forward as individuals to meet our futures.

The seniors in Mrs. Gentry's government class study diligently in order to receive their long awaited diplomas.

CLASS POEM 1959

You say that this is our final year,
And this path ne'er again shall we tread.
But we've gained, and we've cherished each day
as it passed—
We've profited as we've led.
We have waited and worked for the fruits of our labor,
Which have sometimes been missed for our tears—
But we realize now that our dreams lie there waiting—
Those same dreams we've watched through the years.
Many more voices will echo this way
And tell of a memorable past.
There'll be other tomorrows, not only today—
Other ideas whose meanings will last.
But for we who are seniors aware of the present
With Future held fast in our sight,
We'll remember with sadness this year going by,
But with knowledge we'll gain desired height.

Jenna Rollings, '59

Class colors: Lavender and White
Class flower: White Rose
Class motto: It matters not how long we live, but how.
Class song: You'll Never Walk Alone.

SENIOR DAY

The Seniors march into assembly for the last time.

Do you mean that we actually had to go to high school five years to get iced tea for lunch?

Seniors gather in the breezeway before Senior Assembly to talk over the excitement of graduation.

William Carter Cowardin has the spirit, co-operation, and desire to be of service to his school in any form possible. His amiable attitude and ready smile have been a joy to those who have worked with him. Besides excelling in the academic field, Bill has made his mark in athletics, student co-operative work, *The Plough*, and the Key Club. It mattered not what position he held, he was always ready, willing and able to perform tasks which were assigned to him.

Bill's pleasing personality is probably his most outstanding single quality. Never seeming to let his troubles get the upper hand, he is always willing to cause one's miseries to flee before his cheerfulness.

Next year the cadets of Virginia Military Institute shall add to their ranks one of our leaders who will surely excel in all that he undertakes. Our school can be proud of him, always.

SENIOR

With her friendly smile and vivacious personality, Elizabeth Jarvis Holland well deserves the title of Senior Leader. During her years at Warwick, she has displayed the fine leadership and scholastic qualifications which brought her this title.

Beth has actively served her class and the S.C.A. all through high school with a variety of activities. She has served on many committees, served as homeroom officer, and served in Congress. She was secretary of her Junior Class. This year she has done a great job as S.C.A. Chaplain by setting up the S.C.A. Chapel.

Beth has been an officer of her French Club for two years and was president of the French Inter-Club Council her senior year. She has served as editor of *The Earle* this past year and has been a member of Quill and Scroll for two years.

As a delegate to the S.C.A. Federation and to the Norfolk Portsmouth Good Neighbor Days, Beth has represented her school well with her warm smile and willingness to co-operate.

As a crowning touch to her high school career, the seniors chose Beth as the "Best All Around" girl in the Senior Class.

Beth plans to attend Westhampton College in Richmond next year. We are sure that she will be as much of a success in her college career and in her life's work as she has been at Warwick.

Voted "Most Likely to Succeed" by her class, Patricia Anne Foutz is certainly a most deserving Senior Leader.

Pat's life at Warwick High School has been a very active one. She was Secretary of the Senior Class, Secretary of the Honor Council, and served on Congress for several years. In the literary field Pat has been quite outstanding, having served on *The Plough* Staff, and having been a member of the Quill and Scroll. She was a sports leader of the Girls Recreation Association and served as chairman of both Junior and Senior Class committees. She did a splendid job as chairman of the Senior Banquet Committee. This event will be long remembered by the Seniors as one of the highlights of the year.

Pat plans to attend William and Mary College but is still undecided as to what she wants her life's work to be; however, she is leaning toward the fields of journalism and accounting.

With her wonderful personality and her equally wonderful leadership and workmanship abilities, Pat promises to be a success wherever she goes.

LEADERS

George Thomas Abernathy, Jr., an outstanding member of the class of 1959, is well-chosen as a Senior Leader. Known not only for his excellent grades and abilities in the classroom, but also for his wide participation in school activities, this capable senior is indeed very deserving of the position of leadership in his class.

Tommy has played an important role in S.C.A. programs through his work on the Honor Council. Through his fine leadership he has performed an excellent service to the school as Chairman and class representative for four years.

Also active as a French Club officer and vice-president of his homeroom, and serving on many S.C.A. and class committees, Tommy has made a great contribution to Warwick High School through his enthusiasm and interest.

Tommy will continue his education at Davidson College next year, and we know that, with his talents, he will be as successful there as he has been at Warwick. Although his familiar face will be missed in the halls of Warwick in years to come, we wish him well and we say to him: "Good luck in the future, Tommy. Warwick High is very proud of you!"

As we leave Warwick in 1959 we would like to express our appreciation to the following who have helped us to publish this year book:

MR. KARL PHILLIPS of PHILLIPS STUDIO for the individual pictures.

MR. GENE EDMONDS for the photographs.

THE EARLE STAFF for the use of snapshots.

THE MYERS PUBLISHING COMPANY and MR. NEILL WATSON for their advice and the printing of this book.

THE STUDENTS, FACULTY, AND ADMINISTRATION for their interest and cooperation throughout the year.

MR. ED THOMAS for the printing of materials used by the staff.

OUR ADVERTISERS for supporting this publication.

MRS. CAROLYN SANDERS, our adviser, whose patience and advice helped us to start our year with a success; however, due to a certain "little blessing", had to leave us.

MR. JOHN BUTLER, who entered Warwick High in the middle of the year and found a staff of ten girls waiting for an adviser. With his help and support, we were able to end our year with success.
